

INSTRUCTIVO CON LOS PASOS PARA CREAR EL PRIMER REPISITORIO

1. Cree una cuenta en GitHub en el siguiente Link y siga los tres (3) pasos allí descritos (Step1, Step 2 y Step 3):

<https://github.com/join?source=header-home>

Join GitHub

The best way to design, build, and ship software.

Step 1: Create personal account

Step 2: Choose your plan

Step 3: Tailor your experience

Create your personal account

Username

This will be your username — you can enter your organization's username next.

Email Address

You will occasionally receive account related emails. We promise not to share your email with anyone.

Password

Use at least one lowercase letter, one numeral, and seven characters.

By clicking on "Create an account" below, you are agreeing to the [Terms of Service](#) and the [Privacy Policy](#).
